

We learned yesterday of the passing of Ellen Roach, Warren's wife and best friend.

According to Warren, she was admitted to the hospital on Wednesday for treatment of an infection, but her health suddenly began to go south from that point; ending on Saturday with her death.

As you know, Warren has been our B Troop Rep for many years and worked on several special projects additionally, Ellen's support and assistance to the Association cannot be understated as well. She has endured and conquered many illnesses and medical treatments without losing her sense of humor and hospitality. We have all lost a great asset and a loving member of our organization.

Details of the funeral are these:

There will be a viewing from 12:00 to 2:00 pm on Saturday, July 17th, with a funeral service to follow at 2:00 pm and a celebration of Ellen's life to be hosted at the VFW Hall in Front Royal afterwards.

Cards of support may be sent to the Roach's home address at 260 Rolling View Dr; Front Royal, VA. 22630. Telephone number is 540-635-2314 and email is wroach@hughes.net
