Cindy and I offer our deepest sympathies to David, Sarah, and our extended families. I will always remember with fondness, our family gatherings at the Moenter homestead and beyond. We were reminded of his deep family appreciation when we last visited him. He so enjoyed showing us the pictures he had accumulated over the years. Jonny's service to his country was also an important point of pride, for which we will always be thankful. Rest in Peace, Jonny.

David and Sara and families, I am so sorry to read of Jon's passing. David and Sharon, I very much regret that I did not get back with you on Sunday afternoon when I saw you at Zoar; I did think you looked more distressed than usual. While it was hectic trying to speak with everyone who came to bid my sister Sarah goodbye, I wanted to thank you for coming, and truly wish I had taken more time to talk with you so that I could have known about Jon too. Please accept our condolences, and know that all of you are in our prayers for comfort and strength during this time.

My deepest sympathies and prayers go out to the family and friends of Jon. Losing a loved one is never easy. I pray for him on the next phase of his journey...into Heaven, where he will be free of all earthly limitations. May he now pray for us on our journey to eventually see him and all those we love once again in our Eternal reward. Gerry Brown, Eastwood High School Class of 1968

I'm so saddened to learn of Jon's passing. Even in the midst of his circumstance, Jon possessed both a gentle spirit a kind heart. He could always muster a kind word or two along with a big warm smile to fit any occasion.. It is that broad arching smile underneath that big thick mustache that I remember the most with affection. It was so natural and unassuming. He now rests in God's hands to bring his warmth and joy to the heavens. God bless you, Richard Gullufsen.
